

# Voluntary Employee Benefits

Did you know, you can offer voluntary benefits to your employees at no direct cost to you?

And you don't need to be a **big company** to offer them!

**78%**

employers with over 100 employees provide voluntary benefit options

**28%**

employers with less than 100 employees provide voluntary benefit options

How businesses and employees benefit from voluntary benefits

## Employee

### **Confidence**

Employees can be assured their employer has vetted the carrier to ensure they're getting great options

### **Flexibility**

Wide range of options means benefits that suit their needs, and benefits are portable

### **Bridging the Gap**

Voluntary benefits can complement core offerings, as well as help with unexpected expenses

### **Affordability**

Not only less expensive, voluntary benefits can be deducted via payroll

## Business

### **No or Low Cost**

Employers can offer voluntary benefits at no direct cost

### **Control Rising Costs**

Less expensive coverage, with a wide range of voluntary benefits, keeps costs down

### **Attract and Retain Talent**

Smaller companies can better compete for top talent by offering more custom benefits
